Cf Nirmala Sitharaman

Nirmala Sitharaman was born to a middle-class family in Tiruchirapalli in Tamil Nadu on August 18, 1959. Her father worked in the Railways while her mother was a homemaker and a great lover of books. She has her father's disciplinary nature and her mother's love for books.

She completed her graduation from Seethalakshmi Ramasamy College, Tiruchirappalli and obtained her masters from Jawaharlal Nehru University, Delhi. She married Parakala Prabhakar in 1986 and the couple moved to London. Sitharaman succeeded in the corporate world there but finally came back to India in 1991. The couple is blessed with a daughter.

Nirmala was one of the spokespersons of BJP under Ravi Shankar Prasad. In 2010, during the tenure of Nitin Gadkari, she was appointed as the spokesperson of the party. After assuming the role of the party's spokesperson.

She defended the BJP in every situation and praised party leaders including Modi, on the national media. She became a popular face not only in Delhi but also in the party headquarters in Gujarat.

Sitharaman came in touch with senior BJP leader Sushma Swaraj while serving as member of the National Commission for Women (NCW) from 2003 to 2005. Impressed with her dignified personality and outspoken views, Swaraj recommended Sitharaman to the party.

Cf Nirmala Sitharaman

She was also appointed as the member of Rajya Sabha from Andhra Pradesh. The seat was left vacant after the death of Nedurumalli Janardhan Reddy. The Telugu Desam Party (TDP), the major alliance partner of the BJP, offered the seat to Sitharaman. She is currently the Rajya Sabha MP representing Karnataka.

She played a major role during the Lok Sabha elections of 2014. She projected Narendra Modi as a future prime minister of India. It was believed that her hard work and dedication would surely get her a place in Modi's cabinet. Finally, in May 2014, she got the ministerial berth.

Recalling her life she says, “I envy the girl I once was. Best advice I ever received? Always choose the middle path and try to maintain equanimity. In other words, never go to any extreme - don't be too suppliant because you will lose your dignity nor be too overconfident and aggressive or you will eventually lose your ground. Remain balanced. That way you can never fall too far.”

A prolific reader, she writes the press releases on her own. She is careful to properly edit any conversation of the party that goes to media. She is a lover of classical music and has a collection of Lord Krishna's songs. To maintain a balance between personal and professional life, she feels what is most important is the support of the family. She is also one of the founding directors of Pranava School in Hyderabad.

HARDWORK-98%

***“HARDWORK BEATS TALENT WHEN TALENT DOESN'T WORK HARD” -
TIM NOTKE***

Hardwork is the most essential tool for success of any being, human or otherwise. Ant is hardworking, elephant is hardworking, so is the successful human being.

Our mathematical interconnection of Hardwork assures 98% success. Hardwork means working towards the goal relentlessly without pause; but it does not mean no rest.

Hardwork in the true spirit includes :

- ❖ Proper Planning
- ❖ Perfect implementation of the plan
- ❖ Focused efforts
- ❖ Dedicated approach
- ❖ No/Low scope for deviation/distraction
- ❖ Reasonable rest which is required for the efficient work plan
- ❖ Use of new/advanced techniques/technological tools
- ❖ Smart work wherever required

Hardwork certainly fetches rich dividends. Swami Vivekananda lived hardly for 39 years but outcomes of his hard work are & shall be remembered for generations to come.

SPC Message :

“There are no secrets to success. It is the result of preparation, hard work, and learning from failure”.

Cf Off To Infinity!!

With the ongoing CA preparations, all are bound to have a few sleepless nights!! 😴

Off To Infinity!!

Counting stars!

Emptied chocolate bars!

Hop skipped jumped race cars!

And round tripped to Mars!

Stayed up through the night,

Watched the dark fill up with light!

Discussed why English is left to right,

While I toured in UFOs in mind sight!

Puzzled! If everyone finds peace in nature,

Why still bring it down for infrastructure?

Wonder if tech can bring speech to nature!

Or remodel us to look like our caricature? 🤖

That's 👉

Just a quick trailer run,

Of the Insomniac nights!!!

Imagine the imaginative fun,

To daily travel on different destination flights! 😊

Cf Dream's Lesson *by Deepa A(CA Inter)*

It was the tight night, I got a Dream
It was bad and I couldn't scream.
Tick-tock clock woke me up,
But was hard sleep I couldn't get up.
Wanted to continue the Dream I dreamt,
As that was my overwhelming tempt.
Was so hard to recall what happened,
Because the Dream had already abandoned.
My sleep had vanished,
Further for which I couldn't resist.
It was a Dream's Lesson,
Which I wouldn't otherwise listen.
Once what is lost, consider it at your cost.
But it never does come back,
Even if you try to hack.

7. सुभाषित

विद्वत्त्वं च नृपत्वं च नैव तुल्यं कदाचन ।
स्वदेशे पूज्यते राजा विद्वान् सर्वत्र पूज्यते ॥

A scholar and a king can never be compared. Because the king gets respect only in his kingdom, whereas a scholar gets respect everywhere.

8. Inspirational short story-Sweet Dream

A young boy and girl were enjoying a pleasant afternoon playing outside in their neighborhood together. The boy showed the girl his collection of beautiful, unique marbles. In turn, the girl showed the boy the handful of candy that she had just gotten for her birthday.

The boy proposed that the two of them switch—he would give her all of his marbles if she handed over all of her candy. The girl agreed, as she found the marbles to be beautiful as well.

The boy handed over all of his marbles, but kept one—the most exquisite one of them all—in his pocket. The girl kept her promise and gave the boy all of her candy.

That night, the girl was happy with the exchange and peacefully went to sleep.

The boy, however, couldn't sleep, as he was up wondering if the girl had secretly kept some of her candy, just like he did with the marble.

The Moral:

If you don't give 100% in your relationships, you will always assume your partner isn't giving 100% either. If you want your relationships to be built on trust, you have to be a participating factor in that.

Honesty grows your character. By being honest in relationships, you're holding your partner accountable to do the same. It allows both you and your partner to continuously think about your choices and how you can help (or hurt) your partner and your relationship.

Woman are complete within their own lil decorated bubble of life at any given point of time!! 🥰
Happy Women's Day!

Tanjore painting is one of the most popular forms of classical South Indian painting and native art of Thanjavur city of Tamil Nadu. The only painting to have EMBOSS on it and real Gold foil is used to stick on the embossed area. I awakened this hidden talent inside me during the lockdown period.
